DIVIDEND

The Board of Directors decided to plough back the earnings to strengthen the financials of the Company, hence do not recommend dividend for the year.

RESULTS OF OPERATIONS AND STATE OF COMPANY'S AFFAIRS

The Company has recorded production of 43462 MT and Sale of 44505 MT during the year under review, as against 37429 MT and Sale of 38590 MT respectively during the previous year. The Company has during the year achieved highest production and highest sales both in quantity and value.

The Company posted EBIDTA for the year of Rs. 57.05 Crore as compared to Rs.60.07 Crore in the previous year and Net Profit of Rs.27.38 as compared to Rs.28.01 Crore in the previous year.

Despite various challenges such as volatility in raw material prices, inadequate working capital limits, dumping of acrylic fibre by China, Peru and Belarus, foreign exchange fluctuations, the Company's performance has been satisfactory.

INTEGRATED CPP FILM PROJECT

The Company had during the year implemented expansion of CPP Film by another 5000 MT, taking total production capacity to 10000 MT. The new capacity started commercial production w.e.f 26.03.2019. The Company expects that this segment shall do well as the demand of CPP Films is on the rise.

CDR EXIT

The Company had during the year paid agreed amount of Rs.15 Crore towards CDR recompense to Consortium of Banks.

With this payment the Company has successfully come out of CDR.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

ACRYLIC FIBRE

a) Industry Structure and Development

The Demand of Acrylic Fibre during the year has risen, despite dumping by China, Peru and Belarus the Company could sale 44505 MT which is 15.32% higher than the previous year. The Company's export has helped in achieving higher sales. During the year under review the Company's export were 12379 MT as compared to 9300 MT in the previous year.

DIRECTORS' REPORT (Contd.)

b) Opportunities and Threat

The raw material to produce Acrylic Fibre is crude derived. The movement in crude affects the raw material prices to some extent, during the year the crude prices remained volatile, it moved in a band of 50-86 USD a barrel, so as the A C N prices. Since Company is dependent upon imports, the fluctuation in foreign exchange i.e. USD vs. INR has a bearing on the margin of the Company.

c) Segment-wise / Product-wise performance

Segment wise/product wise performance is given–

d) Risk and Concern

Since Company is dependent upon imported raw materials as such sudden movement in USD and volatility in crude oil affects the margin. The Company is giving thrust on increasing the exports so that effect can be mitigated. During the year export surged by 33%.

CPP FILM

a) Industry Structure and Development

There is intense competition among CPP Film manufacturers in the country. The Company has installed European machinery which shall ensure quality product giving edge over other producers.

The Industry is growing at 7- 8% Per Annum.

b) Opportunities and Threat

The major raw material to produce CPP film is available locally. Since the raw material is crude derived as such fluctuation in crude may affect the raw material price.

c) Segment-wise / Product-wise performance

Segment wise/product wise performance is given–

d) Risk and Concern

Since raw material is crude derived as such movement either side shall affect the raw material price. To mitigate the effect, the Company has entered into long term contracts with suppliers.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31.03.2019

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

**TO THE MEMBERS,
PASUPATI ACRYLON LIMITED**

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **PASUPATI ACRYLON LIMITED** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the **PASUPATI ACRYLON LIMITED's** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31.03.2019 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **PASUPATI ACRYLON LIMITED** ("the Company") for the financial year ended on 31.03.2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (vi) We have relied on the representation made by the company and its officers for systems and mechanisms formed by the company for compliances under other Acts, Laws and regulations as applicable specifically to the company.

We have also examined compliance with the applicable clauses of the following:

- (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- (ii) Secretarial Standards issued by The Institute of Company Secretaries of India, in respect of Board and General Meetings.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above to the extent they were applicable except that:

- (i). An inadvertent lapse occurred in attaching Annual report in the online filing with BSE for complying with Regulation 34(1) of the

DIRECTORS' REPORT (Contd.)

Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015. However it was filed/resubmitted on 05.02.2019 on receipt of letter dated 31.01.2019 from BSE.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive, Non-Executive and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

On inspection of the minutes as captured and recorded it was ascertained that all the decisions of the Board have been carried through and there were no dissenting views.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there was no specific event/action which has a major bearing on the affairs of the company in pursuance of above referred laws, rules, regulations, guidelines, standards etc.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF PASUPATI ACRYLON LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Pasupati Acrylon Limited ("the Company"), which comprise the balance sheet as at 31st March 2019, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Major portion of the company's business i.e. both export and import, is transacted in foreign currency and consequently the company is exposed to foreign exchange risk. Foreign currency exchange rate exposure due to its imports is partly balanced by export of goods. The balance foreign currency exchange rate exposure is hedged through derivative like foreign exchange forward contracts. (Refer Note No. 37 to the financial statements). We assessed the foreign exchange risk management policies adopted by the company. The company manages risk through formulating risk management objectives and policies which are reviewed by the senior management, Audit Committee and Board of Directors. Our audit approach was a combination of test of internal controls and substantive procedures to evaluate chances of minimizing the risk involved.
2. The company has certain matters under dispute which involves judgement to determine the possible outcome of these disputes (Refer Note No. 24(b) to the financial statements). We obtained the details of the disputes with their present status and documents. We made an indepth analysis of the dispute. We also considered legal procedures and other rulings in evaluating management's position on these disputes to evaluate whether any change was required to management's position on these disputes.
3. Company's major Raw Material is imported which is subject to variation due to volatility in crude oil prices and demand & supply ratio. These are monitored on regular basis using pricing trends and forecast from internationally reputed news agencies. To manage the price risk associated of these transactions, the Company formulates risk management objectives & policies which are reviewed by the senior management, Audit Committee and Board of Directors. Our Audit Approach was a combination of test of material controls & substantive procedures to evaluate chances of minimising the risk involved.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with

INDEPENDENT AUDITORS' REPORT (Contd.)

respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- (c) The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS Financial Statements - Refer note no. 24 to the financial statements.
 - ii. The Company has made provision as required under the applicable law or accounting standards, for material foreseeable losses, if any, in respect of long term contracts including derivative contracts - Refer note no. 37 to the financial statements.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A referred to in Paragraph (I) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date to the members of Pasupati Acrylon Limited on the standalone Ind AS Financial Statements for the year ended 31st March 2019.

- (i)
 - (a) The company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - (b) The fixed assets have been physically verified by the management during the year as per the phased program designed to cover all the fixed assets over a period, which in our opinion is reasonable having regard to the size of the company and nature of its assets. Discrepancies noticed on such verification, which are not material, have been properly dealt with in the books of accounts.
 - (c) The title deeds of immovable properties are held in the name of the company.
- (ii) As explained to us, the inventories have been physically verified by the management during the year except stocks lying with third parties in respect of whom confirmations have been obtained and the discrepancies noticed on physical verification as compared to book record, which are not material, have been properly dealt with in the books of account. In our opinion, the frequency of such

verification is reasonable.

- (iii) The company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 and as such clauses (iii) (a), (b) and (c) of the order are not applicable to the company.
- (iv) In our opinion and according to the information and explanations given to us, no loans, investments, guarantees and security covered under section 185 and 186 of the Companies Act, 2013 has been given by the company. And as such clause (iv) of the order are not applicable to the company.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of sections 73,74,75 and 76 of the Act and the rules framed thereunder and hence reporting under clause (v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the company pursuant to the order made by the Central Government for the maintenance of cost records under section 148(1) of the Act, and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. However, we are neither required to carry out nor have carried out detailed examination of such cost accounting records with a view to determine whether they are accurate or complete.
- (vii) According to the records of the company, examined by us and information and explanations given to us:
- (a) The company is generally regular in depositing with the appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and others as applicable. There are no undisputed amounts payable in respect of aforesaid dues outstanding as at 31st March 2019 for a period of more than six months from the date they became payable.
- (b) There are no disputed dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax or goods and service tax outstanding as at 31st March 2019 except:

S. No.	Name of the Statute	Nature of dues	Amount Rs.in lacs	Period to which amount relates	Forum where dispute is pending

Annexure B referred to in Paragraph (II)(f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of Pasupati Acrylon Limited on the standalone Ind AS Financial Statements for the year ended 31st March 2019.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of PasupatiAcrylonLimited (“the Company”) as of March 31st, 2019 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the

reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI".

NOTES TO FINANCIAL STATEMENTS

1 Company Overview

Pasupati Acrylon Limited is a public limited company domiciled in India incorporated under the provisions of the Indian Companies Act. The registered office is located at Thakurdwara, Distt. Moradabad (U.P.), India. Its shares are listed on Bombay Stock Exchange (BSE). The Company is one of the leading manufacturers of Acrylic Fibre, Tow and Tops and was established in 1982, the manufacturing facility is located at Thakurdwara, Distt. Moradabad, (U.P.). The company is also manufacturing Cast Polypropylene Film (CPP Film) at Thakurdwara Distt. Moradabad (U.P.).

2 Significant Accounting Policies

2.1 Basis of Preparation of Financial statements

Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016 and guidelines issued by the Securities Exchange Board of India (SEBI).

The Financial Statements have been prepared on the historical cost basis except for certain Financial instruments measured at fair values at the end of each reporting period, as explained in the accounting policies.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Reporting Presentation Currency

All amounts in the Financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primary functional currency of the company) and rounded off to the nearest Lakh with two decimals, unless otherwise stated.

2.2 Classification of Current and Non-current Assets and Liabilities

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
- The Company classifies all other liabilities as non-current.
- Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

The Company has identified twelve months as its operating cycle.

2.3 Revenue Recognition

Revenue is recognized based on the nature of activity when consideration can be reasonable measured and there exists reasonable certainty of its recovery.

- (i) Revenue from the sale of goods is recognised, when all significant risks and rewards are transferred to the buyer, usually on delivery of the goods as per the terms of the contracts and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of goods. Revenue from the sale of goods is measured at the fair value of consideration received or receivable net of returns and allowance.
- (ii) Interest income from deposits and others is recognized on accrual basis. Dividend income is recognized when the right to receive the dividend is unconditionally established. Profit/loss on sale/redemption of investments is recognized on the date of transaction of sale/redemption and is computed with reference to the original cost of the investment sold.
- (iii) Insurance claims are recognized in the books only after certainty of its realization.
- (iv) Revenue are stated exclusive of sales tax, value added tax, goods and service tax and net of trade and quantity discount.

Revenue is inclusive of excise duty.

2.4 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

2.5 Foreign currency transactions and translation

- I) Transactions in foreign currencies are accounted for at the exchange rate prevailing on the date of transaction.
- II) In respect of monetary assets and liabilities denominated in foreign currencies, exchange differences arising out of settlement are recognised in the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currencies as at the Balance Sheet date are translated at the exchange rate on that date, the resultant exchange differences are recognised in the Statement of Profit and Loss.
- III) Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

2.6 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Transaction cost in respect of long-term borrowings are amortised over the tenure of respective loans using effective interest method. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

2.7 Employee Benefits

(i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, exgratia, incentives are recognized in the period during which the employee renders the related service.

(ii) Post-Employment Benefits

(a) Defined Contribution Plans

- i) Provident Fund Scheme is a defined contribution plan. The contribution paid/payable under the scheme is recognized in the profit & loss account during the period during which the employee renders the related service.
- ii) The company has set up separate provident fund and superannuation trusts in respect of certain categories of employees. For other employees, provident fund is accrued on monthly basis in accordance with the terms of contract with the employees and is deposited with the "Statutory Provident Fund". Liability on account of retirement gratuity to the employees is being provided in accordance with the company's Group Gratuity Cash Accumulation Scheme with Life Insurance Corporation of India. The contributions to the Trusts are charged to the Profit & Loss Account.
- iii) The company extends benefits of leave to the employees while in service as well as on retirement. Provision for leave encashment benefit is being made on the basis of actuarial valuation.
- iv) Keyman insurance policy taken by the company on the life of its Keyman is valued at surrender value.

(b) Defined Benefit Plans

The present value of obligation under defined benefit plan is determined based on actuarial valuation under the projected unit credit method which recognizes each period of service as giving rise to additional unit of employees benefits entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on government securities as at balance sheet date, having maturity periods approximated to the returns of related obligations. In case of funded plans the fair value of the planned assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on net basis

- (c) Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

2.8 Taxation

Income tax expense represents the sum of the Current tax and Deferred tax.

Current tax

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 .

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Current and deferred tax are recognised in profit or loss, except when they are relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such

deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax asset against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.9 Property, Plant and Equipment

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

Expenditure related to and incurred during implementation of capital projects is included under "Capital Work in Progress". The same is allocated on a systematic basis to the respective fixed assets on completion of construction of fixed assets.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Property, plant and equipment are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses., if any.

Fixed assets acquired under hire purchase schemes are capitalized at their principal value and hire charges are expensed. Fixed assets taken on lease are not treated as assets of the company and lease rentals are charged off as revenue expenses.

Spares received along with the plant or equipment and those purchased subsequently for specific machines and having irregular use are being capitalized.

2.10 Depreciation

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets less their residual values over their useful lives prescribed in Schedule II to the Companies Act, 2013 except for Plant & Machinery (other than CPP plant) where useful life has been considered as 18 years instead of 25 years on technical evaluation.

Depreciation for Acrylic segment has been calculated on fixed assets on written down method except for Furniture & Fixture, Office Equipment where depreciation is calculated on straight line method in accordance with schedule II of the Companies Act, 2013.

Depreciation for CPP segment has been calculated on fixed assets on straight line method in accordance with schedule II of the Companies Act, 2013.

The Company used to provide depreciation upto 95% of assets value. From 01.10.2009 the Company is providing depreciation keeping the residual value to Re.1 instead of 5% except CPP plant

Depreciation on Assets acquired /capitalised/ disposed off during the year is provided on pro-rata basis with reference to the date of addition/capitalization/ disposal. Lease hold land is amortized over the period of lease.

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

2.11 Impairment of Property, plant and equipment and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Any reversal of the previously recognised impairment loss is limited to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

2.12 Inventories

Inventories (including licences in hand) are valued at lower of cost or net realisable value. Cost is determined using the First in First out (FIFO) formula. Finished goods and stock in process include cost of conversion and other costs incurred in bringing the inventories to their present location and conditions. Cost of machinery spares which can be used only in connection with plant & machinery and whose use is expected to be irregular are amortized proportionately over a period of residual useful life of machinery as technically evaluated. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the company.

2.13 Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions in the nature of long term are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

2.14 Borrowings.

Borrowings are recognized initially at fair value, less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortized cost with any difference between cost and redemption value being recognized in the statement of profit or loss over the period of the borrowings using the effective interest method.

2.15 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

2.16 Earnings Per Share

Earnings per share is calculated by dividing the Profit after tax by the weighted average number of equity shares outstanding during the year.

2.17 Contingent Liability and Contingent Assets

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the Financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the Financial statements but disclosed, where an inflow of economic benefit is probable.

2.18 Trade Receivables

Trade receivables are amounts due from customers for goods sold in the ordinary course of business. If collection is expected to be collected within a period of 12 months or less from the reporting date, they are classified as current assets otherwise as non-current assets.

2.19 Financial Instruments

(i) Financial Assets

Initial Recognition and Measurement

All Financial assets are recognized initially at fair value plus, in the case of Financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the Financial asset.

Financial assets are classified, at initial recognition, as Financial assets measured at fair value or as Financial assets measured at amortized cost.

Subsequent Measurement

For purpose of subsequent measurement of Financial assets are classified in two broad categories:

- Financial Assets at fair value
- Financial assets at amortized cost

Where assets are measured at fair value, gains and losses are either recognized entirely in the statement of profit and loss, or recognized in other comprehensive income.

A Financial asset that meets the following two conditions is measured at amortized cost.

- Business Model Test: The objective of the company's business model is to hold the Financial asset to collect the contractual cash flows.
- Cash flow characteristics test: The contractual terms of the Financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

A Financial asset that meets the following two conditions is measured at fair value through OCI:

- Business Model Test: The Financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial assets.
- Cash flow characteristics test: The contractual terms of the Financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

All other Financial assets are measured at fair value through profit and loss.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the entity has elected irrevocable option to present value changes in OCI.

(ii) Financial Liabilities

All Financial liabilities are initially recognized at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial liabilities are classified as measured at amortized cost or fair value through profit and loss (FVTPL). A Financial liability is classified as FVTPL if it is classified as held for trading, or it is a derivative or is designated as such on initial recognition. Financial Liabilities at FVTPL are measured at fair value and net gain or losses, including any interest expense, are recognised in statement of profit and loss. Other Financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in statement of profit and loss. Any gain or loss on de-recognition is also recognized in statement of profit and loss.

3 Use of Estimates

The preparation of Financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the Financial statements is included in the following notes:

3.1 Property, Plant and Equipments

Property, Plant and Equipments represent a significant proportion of the asset base of the company. The management of the Company makes assumptions about the estimated useful lives, depreciation methods or residual values of items of property, plant and equipment, based on past experience and information currently available. In addition, the management assesses annually whether any indications of impairment of tangible assets.

3.2 Trade Receivables

The management believe that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of debtors at Balance Sheet date. The provision is made against Trade Receivable based on Expected Credit Loss model as per Ind AS-109.

3.3 Defined Benefit Plans

The provisions for defined benefit plans have been calculated by a actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. The discount rate have been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and management expectations.

3.4 Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

3.5 Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

3.6 Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

- a) Includes premises cost of Rs.62.96 Lakh which is towards cost of premises, furniture & fixtures and air conditioners. Since separate breakup is not available, therefore depreciation has been charged on total cost at Straight Line Method.
- b) Effective 1st April 2014, the Company had revised its estimated useful life of fixed assets, wherever appropriate, on the basis of useful life specified in Schedule II of the Companies Act, 2013. The carrying amount as on 1st April 2014 was depreciated over the revised remaining useful life. Based on technical evaluation, depreciation has been provided taking Plant & Machinery (except CPP Plant & Zero Liquid Discharge plant) & Captive Power Plant Life to 18 years instead of 25 years as prescribed in the Schedule II of the Companies Act, 2013. Had the useful life be taken to 25 years the depreciation would have been Rs 249.95 Lakh (Previous year Rs. 276.02 Lakh) instead of Rs. 284.27 Lakh (Previous Year Rs. 330.26 lakh), resulting in excess charge of depreciation during the year by Rs. 34.32 Lakh. (Previous Year Rs. 54.24 Lakh)

37 Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to support its operations. The Company's principal financial assets include investments, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk and credit risk. The Company's management advises on financial risks and the appropriate financial risk governance framework for the Company. The Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below

(i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, trade payables, deposits and investments.

(ii) Foreign Currency Risk

The Company's raw material are imported and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US\$. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not Company's functional currency (INR).

Unhedged in Foreign Currency Exposure

Particulars	Currency	(FC/Lakh)	
		31.03.2019	31.03.2017
Trade Receivable	USD	-	0.60
1% increase		-	0.01
1% decrease		-	(0.01)
Trade Payable	USD	90.86	199.55
1% increase		0.91	2.00
1% decrease		(0.91)	(2.00)

The above sensitivity analysis is based on a reasonably possible change in the underlying foreign currency against the Indian rupee computed from historical data and is representative of the foreign exchange currency risk inherent in financial assets and financial liabilities reported at the reporting date.

(iii) Credit risk

Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

38 Disclosure as required under IND AS 108- Operating Segments

Operating Segments:

- Acrylic Fibre Division
- Cast Polypropylene Film Division (CPP Film)

Identification of Segments

The management monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit and loss in the financial statements. The Operating segments have been identified on the basis of the nature of products.

Segment revenue and results

Expenses and Revenue that are directly identifiable with the segments are considered for determining the segment results. Expenses and Revenue which relate to the Company as a whole and not allocable to segments are included under unallocable expenditure and revenue respectively.

Segment assets and liabilities

Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable assets and liabilities, if any, represent the assets and liabilities that relate to the Company as a whole and not allocable to any segment.
